

January 2026 Highlights at Direct English

January marked an exciting new chapter for Direct English with a change in leadership. After serving the school since mid-2024, Ms. Darlene decided to pursue new opportunities. On the 8th of January 2026, we warmly welcomed our new Principal, **Mr. Neubert Ambrose**. While stepping into a new role always brings challenges, Mr. Ambrose has adapted swiftly and confidently. With his extensive background as both a teacher and former principal, he brings valuable experience and fresh energy to the school. His guiding belief — “*Every student matters*” — and his commitment to excellence perfectly reflects the values of Direct English.

Vitalii beaming as he receives his Certification for Cambridge Intensive English Advanced Level 7 and Level 8.

We also celebrated several student achievements this month. **Vitalii**, from Russia, successfully completed his extended programme with us on 30 January 2026. He proudly attained **Levels 7 and 8**, which will support his future academic journey. Currently, we are supporting **Maomi from Japan**, who continues her studies with us as she works diligently toward achieving excellence in **IELTS**.

Meanwhile, **Timmy Xu**, a bright nine-year-old from China, completed his Winter Camp programme. He joined Direct English to strengthen his English skills and has since achieved a wonderful milestone — gaining acceptance and enrolment into an international school

We are also pleased to share that enquiries — both local and international — continue to come in steadily, and our team remains committed to responding promptly and efficiently.
