pre-arrival and post-arrival procedures to ensure a seamless experience for students.

Additionally, this session served as a platform for collaboration between EMGS and language institutes like ours, allowing for open discussions on potential improvements in the student arrival process. The engagement emphasized efficiency, accuracy, and student support, reinforcing a shared commitment to delivering the best experience for incoming international students.

## **Direct English New Year Meet-Up and Strategic Planning Session with Pearson PTE & RBS Intellect, Malaysia**

We are thrilled to share the highlights of our recent New Year meet-up, where we had the privilege of hosting Ms. Su Cheah Ming, Senior Key Account Manager for PTE Academic in Malaysia, and Ms. Rajaa Abughosh, Regional Partner at RBS Intellect, Malaysia. Joining in was our own Ms Darlene D'cruz Business Development Manager for Direct English International Language Centre. This gathering set the stage for an exciting year ahead, filled with innovative strategies and collaborative efforts.

The meeting was a dynamic exchange of ideas and strategies aimed at enhancing the educational experiences we offer. Our primary focus was on increasing registrations and preparatory opportunities for DEILC, while also expanding study abroad prospects through our partnership with RBS Intellect, Malaysia. Together, we are committed to creating robust pathways for students to achieve their academic and professional aspirations.

A key initiative emerging from our discussions is the introduction of Mock Test Days, scheduled for early April 2025 at our respective centres.

These events are designed to provide students with a realistic testing environment, boosting their confidence and preparedness for the Pearson PTE Academic test. We anticipate that these Mock Test Days will significantly increase Pearson PTE test registrations, offering students a valuable opportunity to hone their skills.

As we move forward, DEILC, remains dedicated to delivering exceptional support and resources to our students. Our collaboration with Pearson PTE and RBS Intellect, Malaysia ensures that we continue

continue to lead in educational excellence, providing unparalleled opportunities for growth and success.

We are excited about the year ahead and the innovative initiatives we have planned. Stay tuned for more updates and developments from Direct English International Language Centre, as we work together to empower students to achieve their dreams.
